## World Conference 2010 - Leuven, Belgium

World Conference 2010, April 21-24, Leuven, Belgium

It's **Materialise's 20th anniversary** and we want to celebrate that with you. The past 20 years have been magnificent and we want to take this opportunity to **thank you**.

To show our appreciation, we've put together an interesting conference with many opportunities to learn and enter in discussions with your industry peers. We also invite you to a special evening event which includes a walking dinner. The best part is... **it's all FREE**.

See the beautiful town of Leuven where Vesalius, Erasmus and Mercator once lived. Tour the Materialise Headquarters. Join your peers and discuss the latest innovations in your field.

**Places are limited, so register today!** Be part of Materialise's 20th anniversary celebration.

The Materialise World Conference will be held on **April 21-24, 2010, in Leuven, Belgium**. It includes the following events:

- [The Visionary Summit on Additive Manufacturing - April 21](#)
- [Materialise Innovation Forum - April 22-23](#)
- [Medical Innovations Conference - April 22-23](#)
- [A dedicated CAE session on Micro- and Tech-CT - April 22](#)
